The cost of that data transfer is covered by your internet service or the data plan on your phone. So try our free and simple filehosting service now. You can upload any type of file (movies, music, documents, images, zip files and more). You decide who you want to share your files with. There are no restrictions on the number of times a file can be downloaded. Keep your files private, or send your download links only to friends or family. Simply upload your file and share the link.
